GOVERNMENT OF PUNJAB

WATER RESOURCES DEPARTMENT
(IRRIGATION WORKS BRANCH)

NOTIFICATION

The 19th June, 2019

No. 3/26/09-IW(5)1504363/1.-The Governor of Punjab is pleased to add following provisions in the para Construction by Department and Departmental Charges of "Policy regarding construction of bridges on canals/drains on the request of private entities." issued vide No. 3/26/09-IW(5)/4774 Dated, Chandigarh 2-12-2010 :-

In case the work to be executed benefits public at large and not a particular project such as a private colony or an industry, departmental charges may be reduced to 14%.

If in the assessment of the department, an organisation/ firm has requisite experience and wherewithal to undertake such work, department may allow it to undertake construction on its own, under department's overall supervision, after vetting of design by the department or by a reputed institution such as an IIT. In case the structure benefits a private project only, departmental supervision charges where private body undertakes construction will be 14%. Where work being executed is for benefit of public at large, no departmental charges will be levied.

In case an applicant wants to have an access to an existing road/passage along a waterway by way of a ramp, it will be strictly governed by traffic norms and after assessment of its safety by the PWD. In such cases the construction shall be done by the applicant after approval of design by and under supervision of the Public Works Department. Charges to be levied will be same as in case of bridges mentioned in the above paragraph i.e. 14% if it benefits a private project and nil if it is for the benefit of public at large.

Chandigarh
The 12th June, 2019

(SARVJIT SINGH, IAS)
Principal Secretary to Govt. of Punjab,
Department of Water Resources.
